

1872. This was the year that this company was established and it still works out of the old downtown area of Tokyo near to the famous Sensouji temple in Asakusa. Marna is a well-established brand with good design of practical products for living and has won many local and international design awards. Style for your home with products for everyday.

## GOOD LOCK Container

Multi-award-winning design including the coveted Red Dot award in 2022. The lids across the entire series have a silicone band inside to fasten tightly and ensure your ingredients stay dry yet are easy to open with a light touch of the lever. The soft-touch close is a simple push shut and they close perfectly every time. Air-tight containers that are easy to use! The sizes have all been designed to fit together and work well as you mix and match according to your needs.

### Container with Handle

These containers include a measuring spoon and a slat inside to level the ingredient for your recipe. So clever! The handle is angled away from the container so that it is easy to pick up even when you are doing so much at once in your kitchen.
